www.epicoh2023.in

IAOH

- Founded in 1948, India's leading and largest professional voluntary not-for-profit organisation in the development and promotion of occupational health & safety
- 23 branches and 3000+ members
- Providing scientific knowledge and guidance to industries on problems of occupational health & hygiene
- Vast experience organising over 100 National, Regional & International Conferences; 2 Asian Congresses and 1 Medichem
- Affiliated to the International Commission on Occupational Health (ICOH)

EPICOH PHILOSOPHY

To foster the study of health and work, EPICOH encourages and supports the following:

- Epidemiological studies on the health effects of occupational exposures
- Communication among epidemiologists, industrial hygienists, toxicologists, exposure analysts, and other occupational health scientists worldwide
- Innovative approaches to substantive or methodological problems and applications of occupational epidemiology
- The use of occupational epidemiology to inform public policy
- Involvement of scientists from lower middle income countries (LMIC) in EPICOH activities, reduced dues for members from LMIC and establishment of regional EPICOH chapters throughout the world
- Recognition, acknowledgement and facilitation of the role of early career researchers

PROGRAM HIGHLIGHTS

- **Preconference Workshop & White Paper : “GLOBAL COLLABORATION ON CREATING RESEARCH OPPORTUNITIES FOR OCCUPATIONAL CANCER IN LMIC (Low & Medium Income Countries)”**
- **White paper “Creating Research Opportunities for Occupational Cancer in India.”**
- **Scientific deliberations from the field of Epidemiology related with Occupational exposures, its Health effects and Health intervention programs**
- **Plenary, Semi plenary sessions addressed by eminent speakers in the field of Occupational Health Epidemiology, Mini Symposia on theme and sub themes and Scientific paper presentation by registered delegates.**
